North American Life Assurance Company

President: EDWARD GURNEY Man. Dir.: L. GOODMAN, A.I.A., F.C.A.

WHY INSURE IN THIS COMPANY?

Because it is a POLICY-HOLDER'S COMPANY

When a business man has money to invest, he wants to place it;

(1) Where it will be safe;
(2) Where it will get undoubted value;
(3) Where he will have a contract as liberal in its provisions as is compatible with the other two conditions.

Measuring this company by these standards, one is satisfied because its reasonable rates of premium, its liberality of contract, and its proven ability to pay dividends, afford sufficient evidence of future value to policy-holders.
